WS Video Tutorials - Basics
1.2 SAP Launchpad

Steps to create an SAP launchpad:

- Delete the Easy Access object on the screen.
- Create a group box to hold the launchpad buttons.
- Create the launchpad buttons
    - Right-click -> Properties on the button to add text and icon.
    - In the Command tab add the transaction code to navigate to.
- Add an HTML page or image to the screen.
- Save in Designer and all the changes will appear in SAP.
